Thank you Deldi,

We appreciate your support yesterday and look forward to your participation in the workgroups.

Jim and Rizgar, thanks for inviting EPA to participate on the Exide CAG. I thought the meeting last night went really well.

There is so much for community members to process, so I'm not surprised we went over the time.

Jim, per our chat, yes, please count me in for conversations with the subgroup about the TA provider. Once you nail down a time next week, I'll try to recruit someone from our SFD Division, but I'm pretty familiar with the process and with some of the principals at SKEO since I've used them via funding from OEJ for non-Superfund related work.

As to timing Tues, Wed, Thur, these are times that I **cannot** be available.

Tue, 10 – 12 and 130 – 330

Wed, 11 – 12

Thur 11 – 12

Fri, 130 – 2

I have other commitments but can move those around based on what works best for others and of course, don't let my schedule hold you up.

Take care.

Thanks Tom. Deldi: Looking forward to seeing you. I'm going to talk about the technical advisor...so if you want to chat before Thursday let me know.

Jim and Rizgar,

Deldi Reyes is going to represent EPA Region 9 at next week's Exide CAG meeting. You probably know Deldi who leads our environmental justice program. As we get a better understanding of the work involved with the CAG, we will figure out our long term participation, which may be a shared role within our office given all the issues that are being addressed at that facility.

Feel free to contact me or Deldi (415-972-3795) if you want to discuss the plan for the CAG. Good luck with the meeting next week.

Thanks, Tom

Tom Huetteman, Assistant Director

Land Division, USEPA Region 9
